

Caplis

Recipe

Hook: Mustad #94840 or #94833 Size: 8-18
Thread: Black, 6/0
Tail: Red Hackle Fibers, tied short
Body: Peacock Herl
Wing: Bleached Elk Hair, tied down, caddis style
Head: Trim off wing butts, tye caddis style
Hackle: Furnace

Tying Tips: Easy to tie --- very straight forward pattern. Tie wing very heavy with elk hair.

Fishing Tips: Designed as a caddis attractor pattern with multiple used. It can be fished on lakes, rivers or streams, fast water or still waters. It's highly visible and a great floater. In larger sizes it can be used for bass and in smaller sizes it can be use for pan fish. It's deadly for brooks, browns and rainbows.

Historical Note: Designed in 2007 the fly has become very popular having appeared in Fly Tyer Magazine and Fly Fish America and on multiple web sites. The fly was designed by Tom Deschaine, a retired school teacher from Westland, Michigan. He's a fly tyer, custom rod builder.
