

Hex Para Spinner

Recipe

Hook: Mustad #9672 3XL Size: 6
Thread: Yellow, 6/0
Tail: 2 Grizzly Stripped Hackle Stems
or Peccary Hairs.
Body: Dyed Yellow or Natural Deer Hair.
Wing: White Calf tail, tied spent.
Post: White Poly Yarn, cut short
Hackle: Badger or Cree, tied parachute.

Tying Tips: You can use any hackle or combination of hackles that you like. You'll want to tie in the Poly Yarn post after you have tied in your wings. The post is tied in long to accommodate the hackle and then trimmed.

Fishing Tips: Used for the *Hexagenia* hatch.

Historical Note: This great hex pattern was created by Mark Lord from Kingsley, Michigan. Mark created this pattern in 1999.
