

## Jerry Regan

Jerry Regan is a third generation commercial fly tier hailing from Grayling, Michigan. He regularly presents programs on the historical flies that are indigenous to the Grayling area on the Au Sable and Manistee Rivers. Most of the flies Jerry ties are from all natural materials that he collects and dyes himself. He has taught fly tying classes in the Flint area for over 30 years and has been a guest tier and speaker at many shows and programs both in Michigan and Canada.

Along with the historical flies that he has collected, he has created several famous flies that will be in the Grayling area for quite some time. In addition to his tying prowess, Jerry guides fly fishers on the Au Sable and Manistee rivers.
