

Nelem's Caddis

Recipe

Hook:	Mustad #79580 Size: 4-8
Thread:	Brown, 6/0
Tail:	Moose Mane
Body:	Deer Hair, tied parallel to the shank of the hook.
Rib:	Crisscrossed thread
Wing:	Dark Ginger Hackle Tips, two for each wing, tied semi-spent.
Hackle:	Dark Ginger, tied heavy.

Tying Tips: Standard techniques. May be tied with wings upright and divided or spent wing. I prefer a Mustad #94840 or #94833.

Fishing Tips: Designed for the *Hexagenia limbata* hatch.

Historical Note: Originated by Mr. Nelem (first name is unknown). He was most probably from the Detroit area. Probably created by in the 1940's.
