

# Snowshoe Sulfur

## Recipe

Hook: Tiemco #100 Size: 16-18  
Thread: Pale Yellow, 8/0  
Shuck: Light Dun Snowshoe Rabbit  
Body: Pale Yellow Thread  
Wing: White Deer Belly Hair, tied post  
Hackle: Light Dun or Ginger

*Tying Tips:* Standard techniques.

*Fishing Tips:* This is an emerger pattern designed to be used during Sulfur hatch (*Ephemerella dorothea*).

*Historical Note:* This fly came from 'Gates Au Sable Lodge,' co-developed by Rusty Gates and Josh Nethers. The fly was created around 1989. This fly will occasionally appear with the incorrect name of 'Hatcher's Sulfur.'

*Tyer:* Chris Hatcher
