

# Weed Seed

## Recipe

- Hook: Dry Fly Size: 8-14  
Thread: Tan, 6/0  
Tail: Pearl Krystal Flash, 2 strands,  
tied long  
Body: Deer Hair, extended well beyond  
the bend of the hook, flared at the  
rear  
Rib: Crisscrossed threads  
Wing: Deer Hair, spread down and across  
the back  
Head: Trimmed deer hair butts, caddis style

*Tying Tips:* Simple and quick to tie. Represents a variety of insects so it can virtually be tied in any size. Also tied in gray and purple.

*Fishing Tips:* It floats well and is a good searching pattern, especially on new waters. A very productive pattern.

*Historical Note:* This fly was created sometime between 2005-2009 by Mike Schultz. Mike is the owner and head guide of Schultz Outfitters in Ypsilanti, Michigan.

*Tyer:* Tom Deschaine
